

**TO GRADUATING SENIORS ATTENDING THE 2021
TEXAS 4-H SHOTGUN SHOOTOUT**

Enclosed you will find an application for the Larry Ratheal Scholarships.

Please complete and return your application form, along with three letters of recommendation and a photo of yourself by June 25th.

You may add additional pages to the application if necessary.

We will be conducting interviews again this year. You will be expected to attend your Interview on July 7th in San Angelo, Texas. You will be notified of a more specific time window closer to that date. The interview process will be casual and will last between 7 and 15 minutes.

Each applicant is required to prepare an introductory speech that should last 3-5 minutes. This speech needs to include a brief history of your involvement in 4-H Shooting Sports, how you plan on using the Larry Ratheal Scholarship funds, what receiving said scholarship would mean to you, and how you plan on giving back to shooting sports in the future.

If your COMPLETE application is not received by June 25th you will not be allowed to go through the interview process.

As a reminder, it is mandatory that the scholarship recipients work at the Rick Smith Memorial Shoot benefitting Larry Ratheal Scholarship Fund. The shoot will be held August 6th, 2021 at Windwalker Farms Sporting Clays near Midland.

We are looking forward to seeing you in San Angelo. Good luck and good shooting.

Please email completed applications to info@texasshotgunshootout.com. If you have any questions, please call or text Clay at (432) 270-2558.

Thank You,

The Larry Ratheal Scholarship Committee
